

MOODLE BUSINESS STANDARD

ELEARNING EXPERTS

WHO SHOULD CONSIDER THESE PLANS?

These plans are designed for firms with 500 to 10,000 users (Pre-Enterprise level). They include substantial support and provide cost savings as your active user counts increase.

WHAT IS INCLUDED IN THESE PLANS?

At the **Moodle Business Standard** level, hosting agreements are **annual** and include a variety of additional features:

- *Core Moodle plugins plus EE approved third party modules are available*
- *Activity and/or course templates available using third party modules demonstrating setup of completion requirements and how to use various course formats in action, etc.*
- *Basic theme options (logo, colors) with some branding possibilities*
- *Full site admin access including control over user base and number of courses created or categories created*
- *Https connection is required and included for all sites ending in *.expertlearning.net as that is our client-base host domain*
- *Want to use your own URL address? CNAME re-mapping to client-owned domains is included in site setup support with the following provisions: you must already possess SSL certificate for that domain and be able to provide a zip file to EE, OR EE will purchase a single site SSL for your domain.*
